INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors
New Phoebe House Association
Tacoma, Washington

We have reviewed the accompanying financial statements of New Phoebe House Association (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NEW PHOEBE HOUSE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

(See Independent Accountant's Review Report)

NOTE 1 - NATURE OF OPERATIONS

New Phoebe House Association (the Association) is a not-for-profit corporation in the State of Washington and currently operates a shelter for homeless women with children. The Association also provides programming through its facility that helps promote sobriety, self-sufficiency and reunification. Their primary sources of revenue are grants, client fees and contributions.

The Association funds operations primarily through reimbursable grants, contracts, contributions from various individuals and private foundations, and client service fees.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements are presented in accordance with Accounting Principles Generally Accepted in the United States of America (GAAP). Nonprofit organizations are required to report information regarding their financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

The net assets of New Phoebe House Association are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed stipulations. The Board of Directors can designate funds within this classification.

Net assets with donor restrictions: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Association and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. There were no restricted net assets at December 31, 2020 and 2019.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

NEW PHOEBE HOUSE ASSOCIATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

(See Independent Accountant's Review Report)

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants Receivable

The Association carries its grants receivable at cost. The unsecured balance is comprised of uncollected reimbursable grant income yet to be received. The Association provides an allowance, as needed, for grant funds deemed uncollectible. At December 31, 2020 and 2019, all grants receivable are deemed collectible.

Property and Equipment

Property and equipment are recorded at cost or the fair market value at the date of placement in service. Depreciation is computed using straight-line methods based on the estimated useful lives of the assets, which range from 3 to 39 years. Expenditures for maintenance and repairs are charged directly to the appropriate operating account at the time the expense is incurred. Expenditures determined to represent additions and betterments are capitalized.

Contributions

Contributions received are recorded as net assets with donor restrictions and without donor restrictions depending on the existence and/or nature of any donor restrictions. Donated goods and services which otherwise would be purchased are valued at their estimated fair value as of the date received.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited based primarily upon payroll costs and occupancy.

Federal Income Tax

The Internal Revenue Service has recognized the Association as exempt from Federal income tax under provision 501(a) of the internal revenue code as an entity described in Section 501(c)(3). To the extent that the Association receives unrelated business income, such earnings are subject to unrelated business income tax.

Unrelated business income tax is accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases, operating losses and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to unrelated business taxable income in the years in which those temporary differences are expected to be recovered or settled.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

(See Independent Accountant's Review Report)

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Federal Income Tax (Continued)

Tax positions taken must be more-likely-than-not to be sustained upon examination by taxing authorities to meet criteria for recognition in the financial statements. For the years ended December 31, 2020 and 2019, the Association has no material uncertain tax positions to be accounted for in the financial statements. Typically, the U.S. federal tax returns are open to examination for a period of three years after the filing date.

Pending Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842). The new standard is effective for reporting periods beginning after December 15, 2021 and early adoption is permitted. The standard will require lessees to report most leases as assets and liabilities on the balance sheet, while lessor accounting will remain substantially unchanged. The standard requires a modified retrospective transition approach for existing leases, whereby the new rules will be applied to the earliest year presented. Management is currently evaluating the impact this update will have on the Association's financial statements.

Date of Management Review

Management has evaluated subsequent events through September 8, 2021, the date the financial statements were available to be issued.

NOTE 3 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The Association manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures to satisfy its liabilities and other obligations as they become due. Cash needs are expected to be met on a monthly basis from grants and other contributions. The Association has established a goal to have three months of expenses on hand. The Association also has a line of credit for short term funding needs (see Note 5).

NEW PHOEBE HOUSE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

(See Independent Accountant's Review Report)

NOTE 3 - LIQUIDITY AND AVAILABILITY OF RESOURCES (Continued)

The Association had the following assets available for general expenditures in the next twelve months for the years ended December 31, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Liquid financial assets:		
Cash	\$ 156,896	\$ 303,429

Less accumulated depreciation	<u>(156,067)</u>	<u>(135,121)</u>
	<u>\$ 458,597</u>	<u>\$ 456,703</u>

NOTE 5 - LINE OF CREDIT

The Association has a revolving line of credit with a commercial bank which provides borrowings up to \$50,000 at an interest rate of 6.5% (3.25% over the prime rate). The line of credit is collateralized by the assets of the Association and matures January 2021. There was zero outstanding on the line of credit at December 31, 2020 and 2019.

NEW PHOEBE HOUSE ASSOCIATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

(See Independent Accountant's Review Report)

NOTE 6 - ACCRUED LIABILITIES

Accrued liabilities consist of the following at December 31:

	<u>2020</u>	<u>2019</u>
Accrued taxes	\$ -	\$ 3,409
Accrued vacation	<u>34,714</u>	<u>50,620</u>
	<u>\$ 34,714</u>	<u>\$ 54,029</u>

NOTE 7 - COMMITMENTS

In February 2019, the Association entered into a lease of a facility where they hold treatment meetings in Tacoma, Washington. The lease term is through December 2022, with monthly payments of \$2,500 and includes a provision for annual increases. Lease expense for the year ended December 31, 2020 and 2019 was \$30,000.

During June 2021, the Association terminated the lease agreement, due to treatment services no longer being provided by the Association. Minimum future lease payments under operating leases are \$16,032 through December 31, 2021.

NOTE 8 - LONG TERM DEBT

The Association has a mortgage payable which was used to purchase a building next to their main location. This building is primarily used for administration purposes. Loan payments, including interest and principal, total \$1,113 per month. The loan matures in 2023 with a balloon payment of approximately \$145,000. The interest rate is 3.6%. The loan is collateralized by the property.

Future minimum payments are as follows for the years ending December 31:

2021	\$ 7,649
2022	7,929
2023	<u>144,730</u>
Total	<u>\$ 160,308</u>

NEW PHOEBE HOUSE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

(See Independent Accountant's Review Report)

NOTE 8 - LONG TERM DEBT (Continued)

In 2014, the Association received a promissory note for \$195,672 from the State of Washington Department of Commerce. The funds from the note were used to purchase the building that houses their clients. The note states that if the building is not used for its intended purpose, or if it is sold, the balance of the note must be paid in full. This debt has no defined payment schedule and is expected to be forgiven on December 31, 2045.

NOTE 9 - SIGNIFICANT CONCENTRATIONS

Approximately 45% and 31% of revenues were received from two grantors in December 31, 2020 and 2019. They also represented 100% and 0% of the outstanding grants receivable for the years ended December 31, 2020 and 2019.

NOTE 10 - PAYCHECK PROTECTION PROGRAM LOAN

In May 2020, the Association received unsecured loan proceeds of \$120,743 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the CARES Act, provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the covered period.

The unforgiven portion of the PPP loan is payable over two years (due May 2022) at an interest rate of 1%, with a deferral of payments within ten months after the covered period. FASB ASC 958-605 states that contribution revenue related to PPP proceeds can be presented as income, if the requirements have been substantially met. The Association believes the proceeds were used for purposes consistent with the PPP and were substantially met as of December 31, 2020. The Association received full forgiveness of the entire PPP loan as of January 2021, and will be recorded as other income in the statement of activities as of December 31, 2020.

In March 2021, the Association received the second round of PPP loan proceeds in the amount of \$135,797. The Association believes the proceeds were used for purposes consistent with the PPP and were substantially met as of December 31, 2021. The Association received full forgiveness of the entire PPP loan as of June 2021, and will be recorded as other income in the statement of activities as of December 31, 2021.

NOTE 11 - UNCERTAINTY

In March 2020, COVID-19 was officially declared a global pandemic by the World Health Organization and a national emergency was declared by the United States. States and municipalities subsequently began to issue shelter-in-place orders and similar mandates requiring those not engaged in essential activities to remain home. The COVID-19 outbreak in the United States is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on the Association's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and impact on customers, employees and vendors, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Association's financial condition or results of operations is uncertain.
